POLICIES:

REFUNDS: Refunds will be provided any time after registration through the second class of a program. In order to receive a refund, please notify Berkeley Heights Recreation within five (5) days after the second class. No refunds will be given once the third class of a session has occurred. All refunds are subject to a \$10.00 processing fee per program per session.

RESIDENCY STATUS: Either Berkeley Heights or otherwise will be verified. Registrations made using false residency will be void with payments non-refundable. Non-residents will be charged an additional \$10.00 program fee (per program).

MAIL-IN/WALK-IN REGISTRATIONS: We prefer you to use your CommunityPass account to register for all classes. However, we will accept hard copy registrations.

CHECKS: Checks made payable to Berkeley Heights Recreation.

LOW ENROLLMENT: If a program is cancelled before the session begins, the CommunityPass household will be credited the entire amount. Fees will not be returned to your credit card account.

CANCELLATIONS: On occasion, programs are cancelled due to inclement weather or instructor illness. Participants will be advised of cancellations via email. Please be sure that the email address included on CommunityPass is current and correct. Be on the lookout for emails from: recreation@bhtwp.com (make sure it's not going in your junk mail).

WAITLIST: After classes reach their maximum capacity, participants who sign up are put on a Waitlist, and are not charged for the program. If you are removed from the Waitlist, you will be notified VIA EMAIL. Being removed from a waitlist does not mean you are now signed up for the class – you must complete that step yourself.

If you sign up for a class in the first week and you are placed on a Waitlist, do not panic – it is likely the class is not full. There are certain programs that have had low attendance in the past. Thus, instead of charging you for the class, canceling it and then crediting your CommunityPass account, we will place you on a Waitlist where you will not be charged. You will then be notified VIA EMAIL if the class is running, and then prompted to complete the sign-up process.

ALL SPORTS Basic skills, rules and sportsmanship are taught as students participate in fun warm-ups, soccer, ball-hockey, kickball, tee ball, dodge ball, and capture the flag.

BALL HOCKEY This coed program is similar to ice hockey, field hockey and roller hockey. Our class provides a fun time for kids to learn both offensive and defensive skills. We provide goggles and sticks!

GAMES, GAMES, GAMES Children will have a great time in this class when school lets out! They will play various games which consist of relay races, kick ball, capture the flag, octopus tag & musical hula hoops. This class will be a fun way to unwind from school and get some much needed exercise!

DODGEBALL Children have fun playing dodge ball while releasing some of their pent up energy!

YOGA This program teaches children how to breath, maintain a better well-being and become aware of their bodies while stretching to benefit stronger bones and growth. Children also have fun stretching into animal shapes!

Youth Afterschool Program Descriptions

CHESS CLUB **Basic Chess knowledge is a MUST!** Students will participate in casual play and group lessons. Advanced players will experience fewer lectures; equal time is devoted to quiet tournament play.

LEGO CLUB: Students will focus on exciting LEGO motorized creations with weekly themes such as Inventions, Life Science and Technology. Students will design and build machines, vehicles, animals and other structures using Bricks 4 Kidz' copyrighted model plans.

BUILDING USING LEGO® BRICKS Each class begins with a lesson discussion on the weekly topic. At the end of each session students are also encouraged to modify the design, unleashing their creativity.

FASHION SEWING Calling all fashion designers! This class will teach your child the art of sewing their own designs! The course fee includes all fabric, notions, trims and use of sewing machines. Your child will begin

Berkeley Heights Winter Program Booklet | 2020

CLASS with choosing a fabric, designing and sketching their idea, measuring a silhouette for accurate sizing, cutting a pattern on fabric, pinning and sewing their design, final fitting and of their own personally designed pj bottoms, by the end of class! **No sewing experience necessary.**

LILLYSPROUTS: Taught by a certified health coach, cooking instructor, and “allergy mom,” this class will provide the perfect opportunity for children to learn nutrition and cooking skills that foster healthy lifestyles in a fun environment. All food and utensils are provided! Students will leave with a great set of practical skills!

ROBOTICS: For 8 weeks’ students will work with all the building blocks of Robotics. They will be introduced to the world of gears, motors and electricity. They will explore the way gears work using VEX Robotics.
CONSTRUCTING ROBOTICS AND MORE! After students learn about basic gears, they’ll create moving machines using visible gears and motors. All workshops are fun and hands on. This project based workshop instills proper engineering practices, while maintaining the fun and excitement that comes from playing with Robotics.

The follow list is some of what the kids will construct: Circuits, gearboxes, solar panel and motor, rubber band motor, propellers, batteries & wearable electronics. They will delve into engineering design process as they construct the foundation. We will discuss problems and things that make the world better. Each student will have an idea of what they will build.

YOGA This program teaches children how to breathe, maintain a better well-being, and become aware of their bodies while stretching to benefit stronger bones and growth. Children have fun stretching into animal shapes.
