In This Together

The Township, Downtown Beautification

Committee and Communications Committee are assisting the businesses of Berkeley Heights to get the word out to residents about what services they are offering during this time of public health emergency, due to COVID-19.

Please answer the following questions for your business, and email the form back **within 24 hours to BHCommunications@bhtwp.com**. We will then add this information into a business directory on our Township website, BerkeleyHeights.gov, so all residents and potential customers have access to the information. This directory will be updated regularly. Thank you for your cooperation. #InThisTogether
