Re: Application to the Planning Board – 124 & 126 Washington Street REVISED DRAWING
Ciraco Construction

The revised plan was reviewed and clearly indicates both sanitary sewer connections,
as requested by this department in our November 9 2020 memo.

Re: Application to the Planning Board – 124 & 126 Washington Street

Reviewing the drawings submitted for the proposed subdivision and proposed dwellings I find that the sanitary sewage connection for lot 13.01 is not evident in the submittal. I have no further comment.
